ABOUT US

Two Decades of Experience.

In **2003**, our founders started G&J Painting with one goal: to provide the best painting service in Florida. What began as a small family business has grown into a **23-year legacy** built on honest work and attention to detail.

For us, painting is about more than just changing a color. It is a careful process designed to **protect your home** from Florida's intense sun and heavy humidity. We make sure your property stays safe and looks great for years to come.

OUR 3 MAIN PILLARS

Why Florida Homeowners Trust G&J Painting.

1

Full Legal Protection

Unlike informal contractors, we carry full Worker's Compensation and Liability Insurance. You are 100% protected against any risk on your property.

2

7-Year Performance Warranty

We stand behind every brushstroke. Our premium application process allows us to offer a real 7-year warranty against peeling and fading.

3

Personal Oversight

Every project is personally inspected by us to ensure it meets our highest standards. We bring years of hands-on experience and a deep commitment to quality, treating every residential project with the care and attention it deserves.
